Signal problems, Slow data or dropped calls? zBoost provides solutions for the 72% of cell phone owners experiencing problems with their cell phone service, including dropped calls, poor signal reception or dead zones. zBoost improves cell phone signal by capturing and enhancing outside signal, then bringing it into your home or car.

zBoost Signal Boosters:

- Increase signal for voice and data transmission
- Increase signal and speed of cell phones, smartphones and aircards
- Extend phone battery life (uses less power when signal is stronger)
